

**FAIRWOOD FIRS HOMEOWNERS
Architectural Control Committee (ACC) Approval Form**

Please complete this form and submit it to any member of the ACC, or mail to the Homeowners Association address (14201 SE Petrovitsky Rd., Ste A3-120 Renton, WA 98058). Your request will normally be approved within one (1) month or less, but may be expedited, if necessary. Please attach submittals specifically describing your proposed improvement project, including site borders, house location on site, dimensions, overhead and elevation views, a list of materials, a sample of new roofing material (if not on approved list), and "paint chip" color samples, as applicable to your project. (If you are painting the exterior of your home, you only need approval if you are changing the color.)

A directory of current Board members is available on our website: www.fairwoodfirs.org
